RE: 15-FOIA-145 Bid #Q56116 - Future Environment, Inc.

Dear Ms. Garriga:

We are in receipt of your request under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

I. Background

On July 23, 2015, we received your request for the specifications and proposal pages submitted in response to bid #Q56116 for the contract awarded to Future Environment, Inc. (“**Request**”). Your Request is granted in part and denied in part.

II. Responsive Document

In response to your Request, Metra is providing you with a copy of the contract #B53489 with Future Environment, Inc., containing the specifications and the proposal pages submitted in response to bid #Q56116 (“**Responsive Document**”).

You may access the Responsive Document via Metra’s file transfer protocol (“**FTP**”) site. Direct your browser to <https://ftp.metrarr.com/>. The user name is: **foia6** and the case sensitive password is: **6xmkz2LS**. Access to this FTP site will expire August 25, 2015. *If you require additional time to download this document, please let us know prior to the expiration date.*

III. Partial Denial

While FOIA requires public bodies to provide access to public records generally, FOIA also authorizes units of government to withhold certain information. Therefore, Attorney Thomas Stuebner has determined that the following portions of the Responsive Document are exempt from disclosure under certain provisions of FOIA:

1. The unique identifiers and vehicle license plate numbers of the parties mentioned in the Responsive Document are being redacted because they are exempt from disclosure under Section 7(1)(b) of FOIA, which exempts “private information.” “Private information” is defined as unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home addresses and personal license plates which are specifically mentioned within the definition of “private information” found in Section 2(c-5) of FOIA. (5 ILCS 140/2(c-5)).
2. The third-party names mentioned in the Responsive Document are being redacted because they are exempt from disclosure under Section 7(1)(c) of FOIA, which exempts “personal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy....” Section 7(1)(c) goes on to say that, “ ‘Unwarranted invasion of personal privacy’

means the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information." It has been determined that the aforementioned data falls squarely within that definition and its redaction is appropriate under FOIA.

3. Insurance information contained within the Responsive Document is being redacted because it is exempt from disclosure under Section 7(1)(s) of FOIA, which exempts "[a]ny and all proprietary information and records related to the operation of an intergovernmental risk management association or self-insurance pool or jointly self-administered health and accident cooperative or pool Insurance or self insurance (including any intergovernmental risk management association or self insurance pool) claims, loss or risk management information, records, data, advice or communications." 5 ILCS 140/7(1)(s). Accordingly, per Attorney Thomas Stuebner, all information regarding insurance within the Responsive Document has been redacted.

IV. Right of Review

A person whose request to inspect or copy a public record was treated by the public body as a request for a commercial purpose under Section 3.1 of FOIA may file a request for review with the Public Access Counselor ("PAC") of the Illinois Attorney General's Office for the limited purpose of reviewing whether the public body properly determined that the request was made for a commercial purpose. 5 ILCS 140/9.5(b). You can file your Request for Review with the PAC by writing to:

Public Access Counselor
Office of the Attorney General
500 South 2nd Street
Springfield, Illinois 62706
Fax: 217-782-1396
E-mail: publicaccess@atg.state.il.us.

If you choose to file a Request for Review with the PAC, you must do so within 60 calendar days of the date of this partial denial letter. 5 ILCS 140/9.5(a). Please note that you must include a copy of your original FOIA request and this partial denial letter when filing a Request for Review with the PAC.

You also have the right to seek judicial review of your partial denial by filing a lawsuit in the circuit court. 5 ILCS 140/11.

If I can be of any further assistance to you, please do not hesitate to contact me.

Sincerely,

Kathleen E. Haton
