We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On January 19, 2016, we received your request for supplemental information with regards to incident report #15-34793. Specifically, you requested the final inspection report of the stairs leading down from the upper level to the lower level on coach car #8256 on train #2206 (“**Request**”).

On February 2, 2016, we sent you an email seeking a short extension to February 5, in order to complete your Request. You responded that same day granting our extension.

Upon arrival, train #2206 turns into outbound train #2205 for its return trip to Big Timber Road.
