RE: 16-FOIA-032 Report / Video Accident 87th & Pulaski 1/20/2016

Dear Mr. Milewski:

We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* (“FOIA”).

**I. Background**

On February 8, 2016, we received your request for a copy of the Metra police report regarding the January 20, 2016 accident which occurred at the intersection of 87<sup>th</sup> St. and Pulaski Ave., along with a copy of the video from the train (“Request”). Your Request is granted in part and denied in part.

**II. Responsive Document**

In response to your Request, Metra is providing you with copies of:

- Metra Police Report #16-00113;
- Illinois Traffic Crash Report #U130029539;
- Hometown Police Department Incident Report #16-0132; and
- Video from Metra Cab Car #8478 on CD

(“Responsive Documents”).

**III. Partial Denial**

While FOIA requires public bodies to provide access to public records generally, FOIA also authorizes units of government to withhold certain information. Therefore, Attorney Thomas Stuebner has determined that the following portions of the Responsive Document are exempt from disclosure under certain provisions of FOIA:

1. The employee identification numbers, passwords, personal telephone numbers, personal financial information, and the vehicle license plate numbers of the parties mentioned in the Responsive Documents are being redacted because they are exempt from disclosure under Section 7(1)(b) of FOIA, which exempts “private information.” “Driver’s license number,” “employee identification numbers,” “personal financial information,” “passwords,” “personal telephone numbers,” “home addresses,” and “personal license plates” are specifically mentioned within the definition of “private information” found in Section 2(c-5) of FOIA.
2. The dates of birth, physical descriptions of the parties, vehicle insurance policy numbers, as well as the names of the third-parties mentioned in the Responsive Documents are being

redacted because they are exempt from disclosure under Section 7(1)(c) of FOIA, which exempts “personal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy...” Section 7(1)(c) goes on to say that, “‘Unwarranted invasion of personal privacy’ means the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information.” It has been determined that the aforementioned data falls squarely within that definition and its redaction is appropriate under FOIA.

3. Section 7(1)(a) of FOIA exempts “[i]nformation specifically prohibited from disclosure by federal or State law or rules and regulations implementing federal or State law.” 5 ILCS 140/7(1)(a). Accordingly, the home addresses, dates of birth, driver’s license numbers, and any physical descriptions of the parties mentioned in the Responsive Document are exempt from disclosure per the Driver’s Privacy Protection Act, 18 U.S.C. § 2721 *et seq.*, which prohibits individuals from knowingly obtaining or disclosing “personal information” from a motor vehicle record.

#### **IV. Right of Review**
