RE: 16-FOIA-060 Incident Report 2/18/2016

Dear Ms. DeLaRosa:

We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* (“**FOIA**”).

On March 7, 2016, we received your request for police report #16-02376 regarding an incident which involved a semi-truck becoming wedged under a railroad overpass on February 18, 2016, in the 3100 block of Austin, Cicero, MP 9.85 at approximately 8:00 p.m. You also requested any supplemental report.

After performing a diligent search of Metra’s records, we have been unable to locate any records responsive to your Request. Metra’s Police Department (“**MPD**”) states they do not have a record of this incident. Given the location, MPD suggested that the Cicero Police Department may have handled this matter.
