June 10, 2016 3:15 p.m.

Ms. Mary Johnson

Requestor's call was transferred to Legal Dept. from MPD on the date/time noted above. Requestor stated on May 24, 2016, at approximately 1:00 p.m., she fell and injured herself in the East Hazel Crest parking lot prior to boarding the 1:19 p.m. in-bound MED train. Once on board the train, requestor was approached by the conductor collecting tickets. Requestor told conductor what had occurred and was informed that the lot was not owned by Metra, but the Village of Hazel Crest. Requestor stated the conductor completed an injury report per the direction of his supervisor. Requestor did not get the name of the conductor or the supervisor, and was not provided with a copy of the injury report. Conductor offered to summon medical assistance for requestor, but requestor said she had an appointment downtown and could not wait. Requestor stated she wanted to wait to make request for injury report until after receiving medical bill from her visit to hospital. Requestor stated she was directed to obtain a copy of the injury report by her attorney. Requestor also stated she has already been in contact with the Village of Hazel Crest regarding this matter.
