Good afternoon:

Please be advised that I represent the Residences of Old Irving Park Homeowners Association ("Association"), located at the above referenced property. The Metra Milwaukee North Line is adjacent to the Association, on the west side of the Association's property. Metra's retaining wall is damaged in several areas causing concern for the Board and Unit Owners.

We hereby request:

- 1) Any and all documents confirming ownership/control of the retaining wall, and
- 2) any and all documents regarding the; repair, replacement, and maintenance of the retaining wall.
- 3) If easier, we welcome an inspector to visit the property to inspect the retaining wall's condition, and take any and all steps to repair same.

Thank you very much for your assistance with this matter. We look forward to your response, and to working together with you.
