Metra FOIA Officer,

Under the Freedom of Information Act (5 U.S.C. Section 552), I am requesting the following documents and information:

- Video footage from Rock Island Train No. 410 of the Jan. 14 incident at 191st Street in Mokena.
- Any internal reports and/or communications by Metra employees pertaining to said incident.

As a representative of the news media affiliated with 22nd Century Media, I am gathering this information because it is of current interest to the public.

I am requesting a waiver of all fees under 5 U.S.C. Section 552(a)(4)(A)(iii). The information I seek is in the public interest because it will contribute significantly to public understanding and is not primarily in my commercial interest.

My request of information has informative value and I plan to disseminate this information to the community through publication in one or more of 22nd Century Media's publications.

The aforementioned concerns have been brought to me to look into, and with this FOIA it is my intent to investigate them fully and thoroughly.

Thank you in advance,

Megan Schuller
