RE: 19-FOIA-224 Ogilvie Incident on 2019-08-02

Dear Ms. Anderson:

Metra's FOIA Department (the "FOIA Department") is responding to your request under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On August 5, 2019, the FOIA Department received your request for all surveillance video of the concourse, French Market and CVS inside the Ogilvie Transportation Center between 11:15 a.m., and 12:30 p.m. on August 2, 2019. ("**Request**").

The FOIA Department corresponded with you several times in an attempt to acquire a more narrowed Request, including a description of the alleged victim(s) and a more specified location of the alleged incident. On August 12, 2019, you narrowed the scope of your request by location and seeking footage "[i]nside Ogilvie Transportation Center in the French Market corridor between CVS and jury kiosk at Washington and Clinton." On August 26, 2019, you further clarified in writing that you were interested in obtaining footage if it captured the alleged incident.

After a diligent search of Metra's records, the FOIA Department has been unable to locate any records responsive to your Request. Metra's Multimedia Analytic Center states the above-mentioned incident was not captured on cameras located at the named location during the date and time named in your Request.

If the FOIA Department can be of further assistance to you, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Angela K. Ollie". The signature is fluid and cursive, with the first name being the most prominent.
