RE: 19-FOIA-238 Report No. MP-19-00130423; Your Tran No.: [REDACTED]

Dear Ms. Valdez:

Metra's FOIA Department (the "FOIA Department") is responding to your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. ("FOIA").

**I. Background**

On August 20, 2019, the FOIA Department received your request for Metra Police Report No. MP-19-00130423 ("**Request**"). Your Request is granted in part and denied in part.

**II. Responsive Document**

In response to your Request, the FOIA Department is providing you with Metra Police Report No. MP-19-00130423 ("**Responsive Document**").

**III. Partial Denial**

While FOIA requires public bodies to provide access to public records generally, FOIA also authorizes units of government to withhold certain information. Therefore, Attorney Aruj Chaudhry has determined that the following portions of the Responsive Document are exempt from disclosure under certain provisions of FOIA:

1. The employee identification numbers, passwords and other access codes, personal telephone number, home address, and personal license plate number of the parties mentioned in the Responsive Document are redacted because they are exempt from disclosure under Section 7(1)(b) of FOIA, which exempts "private information." "Employee identification numbers," "passwords and other access codes," "personal telephone numbers," "home addresses," and "personal license plate numbers" are specifically mentioned within the definition of "private information" found in Section 2(c-5) of FOIA.
2. The dates of birth and physical descriptions of the parties mentioned in the Responsive Document are redacted because they are exempt from disclosure under Section 7(1)(c) of FOIA, which exempts "personal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy...." Section 7(1)(c) goes on to say that, "'Unwarranted invasion of personal privacy' means the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining

the information.” It has been determined that the aforementioned data falls squarely within that definition and its redaction is appropriate under FOIA.

3. The results of the LEADS inquiry are exempt from release under Section 7(1)(d-5) of FOIA which states, “A law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system.” The Metra Police Department only has access to this information and has no role in the creation of the information.

#### **IV. Right of Review**

A person whose request to inspect or copy a public record was treated by the public body as a request for a commercial purpose under Section 3.1 of FOIA may file a request for review with the Public Access Counselor (“PAC”) of the Illinois Attorney General’s Office for the limited purpose of reviewing whether the public body properly determined that the request was made for a commercial purpose. 5 ILCS 140/9.5(b). You can file your Request for Review with the PAC by writing to:

Public Access Counselor  
Office of the Attorney General  
500 South 2nd Street  
Springfield, Illinois 62706  
Fax: 217-782-1396  
E-mail: [publicaccess@atg.state.il.us](mailto:publicaccess@atg.state.il.us).

If you choose to file a Request for Review with the PAC, you must do so within 60 calendar days of the date of this partial denial letter. 5 ILCS 140/9.5(a). Please note that you must include a copy of your original FOIA request and this partial denial letter when filing a Request for Review with the PAC.

You also have the right to seek judicial review of your partial denial by filing a lawsuit in the circuit court. 5 ILCS 140/11.

Sincerely,

Angela K. Ollie  
Freedom of Information Officer
