

FROM FRANKLIN TO CANAL

The next stage of Revive Wacker Drive, Part 2 begins July 5 with the reconstruction of the Madison intersection. Reconstruction of the Madison viaduct over the Union Station tracks will also take place.

Please use Canal, Franklin, Monroe and Washington as detours.

The City of Chicago began rebuilding the North-South leg of Wacker Drive in January 2011. Stage 1 of the \$300 million project is complete, and Washington and Randolph are now open. Stages 3 and 4 are scheduled for 2012. The Wacker Drive and Congress Interchange reconstruction is expected to be completed at the end of 2012.

For project information and construction updates, visit the Wacker Drive web site at www.wackerdrive.org.
