

Union Pacific West Line – Construction Notice

Monday, January 27 through Sunday, February 23

What work is being done?

Union Pacific is performing major bridge maintenance near Maywood.

How will this affect my trip?

Weekdays January 27 through February 7:

- Inbound rush hour trains 10-36 and 52-56 are subject to 5 minute delays.
- Inbound off peak trains 38-50 and 58-70 are subject to 10 minute delays.
- Outbound rush hour trains 13-25 and 39-63 are subject to 5 minute delays.
- Outbound off peak trains 29-37 and 65-11 are subject to 10 minute delays
- *On all outbound trains, passengers getting on/off at Melrose Park or Maywood will need to ride specific cars as trains will be loading/unloading at street crossings.

Weekdays February 10 through February 21:

- Inbound off peak trains 38-50 and 58-70 are subject to 10 minute delays.
- Outbound off peak trains 29-37 and 65-11 are subject to 10 minute delays

Weekends February 1 through February 23:

- All trains are subject to 10 minute delays.
- *On all outbound trains from February 1 through February 9, passengers getting on/off at Melrose Park will need to ride specific cars as trains will be loading/unloading at street crossings.

Please listen for platform announcements to verify which platform your train will be using.

Please check metrarail.com or the Ventra app for train times and alerts.
